

# Hudson's Bay Foundation Golf Tournament Rules

## **Best Ball Format;**

Each player tees off, the Team selects the best drive and all players play their next shot from that location, within 6 inches of the original ball, no closer to the hole. Once a Team is on the green the ball shall be played from the exact location as the ball chosen. Continue this process until the ball is holed out.

Do not tap in missed putts until everyone has attempted the putt. The first ball in the hole will be the team score. Each team only has one score for each hole.

You must use one tee shot, from each player in the 9 hole round.

Regular Golf and Course rules apply for all other situations.

Mulligans; Declare the use of a Mulligan. Mark "M" on your scorecard.

A "Mulligan" allows you to take another tee shot without a penalty. It is like a do-over and can only be used on a tee shot. Mulligans can be purchased for 5.00 each (limit two per person) at the registration table.

## **Putting Contest;**

Rules for the putting contest are as follows, you must place your ball in the designated area on the practice green and sink your putt in the identified hole. If you do so you will be given a ticket. There is no limit as to how many times you can sink the putt or how many tickets you purchase. You must putt when a tournament volunteer is present and you are not allowed to practice the contest putt.

Immediately following the last foursome to finish the golf tournament everyone with ticket(s) will gather on the 9<sup>th</sup> green for the putt off. Everyone will putt from a designated location to the hole determined by the tournament host. If more than one person makes the putt in the first round, a second round will occur. If no one makes the putt in the first round the three closest balls will advance to the second round. In the event that no one makes the putt in the second round the ball closest to the hole will be declared the winner. If more than one person makes the putt in the second round this format will continue until there is one person left.

The Prize for the putting contest is 50% of the entry fees. The cost is 2 putts for 5.00 and you can enter as many times as you wish, prior to the last foursome finishing the regular tournament.
